Saxon ...

High

... Lights

By BONNIE WILLIAMS

FR. 2-4623

North high was honored by the presence of the "Four Tears" (minus one) last Thursday as they entertained the Saxons during the noon hour.

The "Four Tears" is a group of singers from Torrance high school and is composed of Terri Akers, Jill Moore, Dick Dawson and Sherwood Tiernan.

Sherwood was not present because he came down with the mumps that morning. Also with the group is Marilyn Brooks who accompanies them on the piano.

The group gave out with "Soldier Boy," "Blue Velvet," "Dream," and "Fools Love." Terri Akers also gave out with her renditions of "Summertime," "We'll be Together Again," and "I'm in the Mood for Love." The song the student body enjoyed the most was "Fools Love" which surprisingly enough was written by Terri and was very well done.

It looks like Torrance will soon be able to claim one more talented personality.

Saxon Band Starts Planning
The Saxon band is planning an annual semi-formal dance called "the Sweetheart Ball" sometime in early April.

In order to put the dance over the band will sponsor a bake sale in the near future. We hope everyone will support this sale as it is not only a means of raising money for the dance but also of helping out with the banquet. The dance band will also play for his affair. This their first appearance will be at the dance.

Snoopin' Around
Joan Pollock is very happy with her diamond from LeRoy Walton. Congratulations and lots of luck.

Jerry Bloomfield has also been very sick lately with a bad cold and strep throat. But he is back in school now and none the worse for it.

Looks like we have another twosome on the campus, that of Babs Cake and Mike Luongo. Also teaming up are Walt Glance and Jean Salomone.

George Morgan has been going with Marlon Berg of Gardena lately.

Celia Stinger is not one to be left out when it comes to parties. Some of those helping her celebrate Washington's birthday last night were: Mike Schneider and Shera Gazay, Terry Baker and Bonnie Williams, Rosemary Francis and Darrell Adamson, Sylvia Redula and Roy Hunkle, Julie Widmark, Gale Rodgers and Doug McKean, Julia Pace, Joanne Miller, April Satterlee, Jeff Lindsey, Ken Purviance.

A surprise birthday party was given for Carol Burrows by Marge Burch at Carol's home last Friday night.

Over 210 people swung their partners to the patter of Gerry Reeser, well known square dance caller.

Those people who help the winning tickets for door prizes included: Mel Gilbert of 2317 South Grand in San Pedro who walked away with a Western belt and buckle;

Gene Fall of Lakewood and Art Kessler of Inglewood were the recipients of free service certificates at local service stations;

Bill Harmon of Torrance left the hall with a chicken planter tucked under his arm; Ed Delcomya of Redondo Beach walked out with a pair of hose and close behind was R. R. Whitten of Torrance with a box of candy.

Camilla Thompson of San Pedro and Louise Vought of Hermosa Beach tripped out with new ballet shoes. Sporting new earrings and a scarf was Mrs. Al Booth of Torrance. Also the recipient of wearing apparel was F. B. Fallmer of Playa Del Rey who won a Western shirt Shirley Kahl of Torrance will soon be posing for a portrait while Bill McHolm of Long Beach received a free meal at a local restaurant.

Walt Elliot of Torrance is really cutting everything up now with a new pair of scissors.

Victor Area Given M-1 Zone Promise

Residents of the Victor area proposed for annexation to Torrance have been practically promised that they will get whatever zoning they agree on if they will come into Torrance.

So stated George Powell, secretary to the Planning Commission, following a meeting between Commissioners and residents of the Victor area.

The whole matter of annexation will come up for a formal hearing before the Torrance City Council Tuesday, February 28, at 5:30 p.m.

The area involved is a rectangular piece of county territory bounded by Torrance Blvd., Hawthorne Ave., Del Amo, and the Redondo Beach boundary.

During the discussion, commissioners pointed out that residents might find it desirable to ask for commercial zoning along Hawthorne Ave.

Commissioners assertedly agreed informally to M-1 zoning of the Victor area. The county, on the other hand, has already informed them that would be rezoned to permit oil drilling if they don't annex to Torrance.

Some of the advantages of annexing to Torrance were pointed out, including: ability to establish an assessment district for sewers; being governed by a uniform building code; and adequate fire and police protection.

There are 720 residents living in the area. Of these 161 are registered voters. An election to determine the wishes of people will have to be held in order to decide the annexation issue.
